AGREEMENT II

This AGREEMENT dated the 20th day of July, 2005, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" and Playmore Recreational Products & Services, a fictitious name for Playmore West, Inc., a Florida corporation, hereinafter "Contractor".

WHEREAS, Monroe County purchasing policies and procedures allow for the County to procure goods and services through other Florida governmental contracts, upon the same terms and conditions of those contracts, without going out for bid; and

WHEREAS, County has ascertained that Contractor can provide goods or services through the above mentioned "piggy-back" process; ;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the County and the Contractor have entered into this agreement on the terms and conditions as set forth below.

1. **AGREEMENT PERIOD.** This agreement is for the period 200 through 200. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraph 11 below.

2. **SCOPE OF AGREEMENT.** The Contractor shall provide the goods or services set forth in Attachment A, setting forth the terms of the Contractor's agreement with another governmental entity in the State of Florida.

3. **AMOUNT OF AGREEMENT AND PAYMENT.** The County shall provide an amount not to exceed \$14,242.87 for the goods or services to be provided according to Attachment A. Monroe County's obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

4. **RECORDS.** The Contractor shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the County, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of the Contractor to maintain appropriate records to insure a proper accounting of all funds and expenditures. The Contractor understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year contract payments will be offset by the amount of the audit exception. In the event the agreement is not renewed or supplemented in future years and an audit exception occurs after the final payment under this agreement, the

5. MODIFICATIONS AND AMENDMENTS. Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County.

6. INDEPENDENT CONTRACTOR. At all times and for all purposes hereunder, the Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Contractor or any of its employees, contractors, servants or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

7. COMPLIANCE WITH LAW. In carrying out its obligations under this agreement, the Contractor shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules or regulations shall constitute a material breach of this agreement and shall entitle the County to terminate this agreement immediately upon delivery of written notice of termination to the Contractor.

8. HOLD HARMLESS/INDEMNIFICATION. The Contractor hereby agrees to indemnify and hold harmless the BOCCO and any of its officers and employees from and against any and all claims, liabilities, litigation, causes of action, damages, costs, expenses (including but not limited to fees and expenses arising from any factual investigation, discovery or preparation for litigation), and the payment of any and all of the foregoing or any demands, settlements or judgments arising directly or indirectly under this agreement. The Contractor shall immediately give notice to the County of any suit, claim or action made against the County that is related to the activity under this agreement, and will cooperate with the County in the investigation arising as a result of any suit, action or claim related to this agreement.

The Contractor warrants that no person has been employed or retained to solicit or secure this agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County has any interest, financially or otherwise, in the said funded project, except for general membership. For breach or violation of this warranty, the County shall have the right to annul this

agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

11. TERMINATION FOR BREACH. The County may immediately terminate this agreement for any breach of the terms contained herein, including Attachment A. Such termination shall take place immediately upon receipt of written notice of said termination. Any waiver of any breach of covenants herein contained to be kept and performed by Contractor shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same conditions or of any other conditions.

12. ENTIRE AGREEMENT. This agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the Contractor and the County.

13. CONSENT TO JURISDICTION. This agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County.

14. ETHICS CLAUSE: Contractor warrants that he has not employed, retained or otherwise had act on his behalf any former County officer or employee in violation of Section 2 or Ordinance No. 10-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 10-1990. For breach or violation of the provision the County may, at its discretion terminate this agreement without liability and may also, at its discretion, deduct from the agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee.
